Minutes from December 10th

**I. OPENING ACTIVITIES**

- a. Meeting was called to order at 7:05 pm.
- b. In attendance were Lisa Stanish, Mark Janes, Alan Haskins, Tamara von Gemmingen, Karen Bornheimer, and Tracy Philpot.
- c. Approval of Minutes: November 12, 2015
- d. We approved the agenda, with amendments.
- e. Mr. Haskins went over the budget with the group. There are copies available but he didn't print enough for everyone to have one this evening. The regional tournament for volleyball made \$1925 with the gate bringing in \$325. BUT expenditures were \$1982. So we approved moving \$57.78 from our account to the volleyball fund to make up the difference. We also discussed the state costs for volleyball.

**II. OLD BUSINESS**

- a. None

**III. NEW BUSINESS**

- a. April 2<sup>nd</sup>, 2016: Keep soliciting for items.
- b. We discussed the idea of doing gift wrapping for Christmas presents as a fund raiser but decided against it.
- c. SBE banners. No new renewals yet. Jenny Chissus said that she sends out the renewal letters in January.
- d. Since the basketball team is going to have students from Port Graham and Nanwalek they will need a place to stay. But we heard from Nancy Kleine that an aide will be coming with the students and they can instead sleep in the school, so no one has to host them after all.
- e. We talked about having to plan for the February game of girls basketball team against CIA. But instead put it on the January agenda. Tamara said that she could help out with napkins or other items like that from the Tide Pool.
- f. The cheer team has disbanded. The three remaining girls quit. But Tamara is going to see if her daughter's cheerleading team would be interested in coming down for a tournament. They are used to being split and could cheer for all the teams.
