I. Opening Activities-

A & B. Lisa called the meeting to order and did the roll call.

C. No minutes before the group for approval.

D. Alan added an item to the agenda regarding service learning for discussion. The agenda was approved.

E. Alan presented a budget outline to the group for review. He pointed to the individual accounts for the each activity and noted that although there were low balances for most, that the overall Booster Club account could provide for most needs that will be arising this year. Members agreed that even with a positive funds balance students and parents should be encouraged to engage in fund raising.

II. Old Business- None

III. New Business-

A. Mixed 6 Volleyball- There was not enough interest from the girls for a team this year. They rules call for 3 girls and 3 boys to be on the court.

B. Girls and Boys Basketball- There were not sufficient numbers of Jr. High students to field and team. There will not be a Jr. high season. The high school team will have to be a co-ed team.

C. Geo Bee / Spelling Bee / Academics- the group discussed these activities including Mind of Mazes and Mathletes and agreed to continue funding for travel for qualifying students and family members.

D. Artists in the School- The school is evaluating inviting an artist in the school. Alan is asking for students interest and commitment level.

E. Halloween Carnival- SVT will be organizing. Some issues exist with the gaming permit and how the school has operated in the past. Alan feels confident with changes the school will be fine moving forward.

- F. Service Learning- The District distributed funds to sponsor service learning opportunities at SB English. Service learning integrates community service to enrich students' learning experience strengthen communities, and encourage civic responsibility.

IV. People to be Heard- None

V. Council Comments- All concurred more parental participation is needed.

VI. Adjournment- Done
